

## 2018 ANNUAL GATHERING

August 7-9, 2018

Chicagoland, Illinois

SPONSORED BY JOURNEY TO BAPTISMAL LIVING

AND

ASSOCIATED PARISHES FOR LITURGY AND MISSION

Do the members of your parish make a connection between their baptism and the sacred story of Christ's Passion and Resurrection?

Do they find a connection between God's story and their story?

Are liturgy and scripture ancient and meaningless or alive and formative?

**Parishes that are defined by deep and robust baptismal practice lead individuals and the community into faithful living in their home, at work, at church, and in the world.**

*Becoming the Story We Tell* will help your congregation enter the deep drama of the Biblical Story through lectionary and liturgy.
